# What Would You Do?

Test your knowledge of safe surfing rules by choosing the **best** solution to the situations below. Circle a, b, or c.

1. Your email pal wants to meet you for the first time. What would you do?
  - a. Email back right away, suggesting a time and place to meet.
  - b. Ask a friend what you should do.
  - c. Ask your parent's for permission and an escort.
2. Your parents have a rule that you are not allowed to chat online without their supervision. A friend is visiting and insists on chatting even though you're parents aren't home. What would you do?
  - a. Firmly remind your friend of your family's rules and suggest another activity.
  - b. Go ahead and chat.
  - c. Let your friend chat while you watch.
3. Someone from school emails you a link to a website that you aren't familiar with. What would you do?
  - a. Click on the link to check it out.
  - b. Ask your parents to check out the link first.
  - c. Delete the email.
4. While chatting online, someone asks you what school you attend. What would you do?
  - a. Give them a fake school name.
  - b. Tell them the name of your school.
  - c. Tell them you are not allowed to give out that information.
5. You receive an email that contains very bad language. What would you do?
  - a. Delete the email.
  - b. Reply and ask the sender to stop emailing you.
  - c. Tell your parents and let them handle it.
